

### Materiality & Chernobyl

**Research Question:**

*How could artifacts (the material culture) help us understand what was "real" to the people experiencing the Chernobyl disaster?*

**Vocabulary:**

**Provenience:** *in archaeology this means the location of an artifact (where it was found)*

**Materiality:** *the study of the "thingness" of things and their impact or representation of actions in regards to people's lives and thoughts.*

### The Pripyat Hospital

1) What artifacts do you see in the photo? 2) Describe the provenience. 3) What do the “things” represent?	What does it all mean? <i>(How does it reflect the experience of the people?)</i>
